Speaker's Profile

Dr. Tino Mercado
Periodontist

Dr. Mercado is Specialist Periodontist and the Director of Specialist Periodontal and Implant Centre in Western Sydney and Blue Mountains Australia for almost 20 years. He graduated at the top of his class (University of the Philippines-College of Dentistry Batch 1995) and finished the June 1995 Dental Board Exam as one of the topnotchers (Number 1 in Written Component and Number 2 in Practical Component). He is a Senior Clinical Lecturer at the University of Queensland and University of Sydney. Dr. Mercado sits at the Council of Australia and New Zealand Academy of Periodontists and is a Periodontal Examiner at the Royal Australasian College of Dental Surgeons (RACDS). His Phd topic at Griffith University/University of Queensland looked at the role of biologically active materials for peri-implant and periodontal defects and management of peri-implantitis. His body of research works had been cited and referenced more than 1000 times as of August 2019. His latest publications looked at clinical management of peri-implantitis and long-term stability of connective tissue graft on teeth and implants.

Dr. Mercado has lectured both nationally and internationally including recently on connective tissue graft and peri-implantitis management. He was twice recipient of the prestigious National Health and Medical Research Council (NMHRC) in Australia, first in 1997 (MDSc) and more recently for his Phd (2008-2019).
