

Greyton Combined Study Club

6-7 September 2019

Welcome

Dear Colleague

Please join us for a combined (Winelands, Cape Peninsula and Northern Suburbs) weekend meeting in Greyton. This is a fantastic opportunity for learning and networking with colleagues and also including our spouses.

We have arranged an interesting academic program and there will also be plenty of time for social activities.

Members who are unable to stay for the weekend, are welcome to attend the Education day only.

Please **Accept** participation on the **ITI net** and contact Estelle de Wet for accommodation requirements – estelle.dewet@straumann.com

Looking forward to seeing you all there!

Emil and study club directors
